

2009 Beef Expo - Senior Division

Due to a problem with a scantron sheet, the scores for a team member from Lewis County FFA were not properly credited to his team. The situation was not discovered until after the awards were announced. When the individual's score was properly credited, the team was the 4th place team. The Lewis County FFA team will receive the cash and plaque awards that a 4th place team should receive. However, all other awards will remain with the teams they were given to at the awards presentation.
