

56th  
**TED HARRIMAN FOREST INDUSTRIES CAMP**

The 2011 camp will be held at Camp Mahonegon July 24 - July 30 about 3 miles north of Ellamore, Upshur/Randolph County line, West Virginia. Located in the heart of the Appalachians, this camp site is surrounded by beautiful forests and streams which will be utilized in the course of training during the week. Participants will be housed in camp and will be provided plentiful, hearty meals, along with social and recreational opportunities.

Scholarships, which include meals, lodging, transportation while at camp, and insurance, will be paid by West Virginia Forestry Association and other interested individuals. Each camper will be responsible for transportation to and from camp and must provide his/her own bedding (two or three blankets are recommended if a sleeping bag is not available), towels, soap and other personal effects. Durable clothing is recommended and since evenings could be cool, clothing should be warm and water repellent. Leather boots, blue jeans and T-shirts are recommended.

Campers should plan to arrive at camp between 2:00 p.m. and 4:00 p.m. Sunday, July 24, and depart camp immediately after breakfast on Saturday, July 30. There will be five full days of forestry training (8:00 a.m. - 5:00 p.m.). The first day and one-half (Monday and until noon Tuesday) will be devoted to the study of the forest ecosystem. Tuesday afternoon and Wednesday will be spent exploring forest management subjects. Thursday will be spent touring wood utilization firms in the area. Friday will be spent visiting a recreation area and later in the day there will be field events. Camp will break up after breakfast on Saturday, July 30.

Evening programs will include softball, volleyball and camp meetings. Every effort will be made to make learning an enjoyable experience. **However, it should be understood that this camp is not the usual type of camp, in that the course is rigorous, demanding and rewarding and participation is required in all class instruction.**

**COMPLETING THE APPLICATION BLANK** — Cooperators are urged to assist interested young folks in preparing their application blanks, which must be submitted to:

**Dick Waybright, WV Forestry Association, P.O. Box 718, Ripley, WV 25271**

Applications must be returned no later than July 1, 2011. Please encourage prospective campers to include all information that might reflect their interest in forestry and in attending camp. Each application **MUST BE "ENDORSED"** by you and be signed by the prospective camper's parent or guardian. **This endorsement should include remarks pertaining to the person's interests and qualifications for attending camp.**
